# MILITARY & AEROSPACE LINE CARD 2026

## Top Products

|                        |                     |
|------------------------|---------------------|
| Actuators              | Integrated Circuits |
| Adapters               | Lamps               |
| Amplifiers             | LED'S               |
| Antennas               | Lighting Fixtures   |
| Auxiliary Power Units  | Lugs                |
| Batteries              | Memory ICs          |
| Bearings & Seals       | Memory Modules      |
| Cable Assemblies       | Microcircuits       |
| Capacitors             | Microcontrollers    |
| Chokes                 | Mosfets             |
| Circuit Breakers       | Motors              |
| Circuit Card           | Optoelectronic      |
| Coils                  | Oscillators         |
| Connectors/Mil         | Passives Components |
| Control Cable          | Power Connectors    |
| Converters             | Power Supply's      |
| Crystals Oscillator    | Rectifiers          |
| Cylindrical Connectors | Relays & Solenoids  |
| Diodes                 | Resistors           |
| Electromechanical      | Resolvers           |
| Electronic Components  | Retainer Assemblies |
| Electronic Hardware    | Rivets              |
| Electronic Modules     | Safety and Survival |
| EMS/RFI Products       | Semiconductors      |
| Encoders               | Sensors             |
| Fasteners              | SSD Memory          |
| Filters                | Starter Generators  |
| Fittings               | Strobes             |
| Fuses                  | Switches            |
| Gaskets                | Terminals           |
| Hardware               | Transducers         |
| Hoses                  | Transformers        |
| Hose Fittings          | Transistors         |
| Hydraulic Parts        | Windshields         |
| Inductors              | Wire and more...    |
| Instrumentation        |                     |

## Top Manufacturers

**Rockwell  
Collins**

**MICROCHIP**

**TE**  
connectivity

**SOURIAU**  
Connection Technology

**tsmc**

Electronic Components  
**KEMET**  
CHARGED.

**EAT•N**

**ITT**  
cannon

**Honeywell**

**AVAX**  
A KYOCERA GROUP COMPANY

**molex**  
one company • a world of innovation

**PANDUIT**

**Amphenol**  
Aerospace

**HOWMET**  
AEROSPACE

**3M**

**CHERRY**  
AEROSPACE  
PCG

**TEXAS**  
INSTRUMENTS

**Glenair**

**VISHAY**

**lisi**

|               |                    |                  |                    |
|---------------|--------------------|------------------|--------------------|
| 3D Plus       | Deutsch            | Microsemi        | Sprague            |
| ACT Power     | Eaton              | Microship        | SPS Technology     |
| Airborn       | Emerson            | Murata           | Sunbank            |
| Altera        | Exxelia            | Nucor            | Switchcraft        |
| AMD           | Fairchild          | ON SEMI          | SynQor             |
| Amphenol      | Fischer Connectors | Panasonic        | TE-Connectivity    |
| Analog Devise | GE                 | Parker           | Texas Instruments  |
| BAE Systems   | Grayhill           | Pyramid          | Thales             |
| BE Aerospace  | Heineman           | Renesas          | Tronair            |
| Bendix        | Infineon           | Rockwell Collins | United Chemicon    |
| BMI           | ITT-Cannon         | Semtech          | Vanguard           |
| CW Industries | Leach              | Siemens          | Vishay             |
| Dearborn      | Microchip          | Solitron         | ... and many more! |

## Industries

- Aerospace & Defense
- Automotive
- Aviation
- Communications
- Consumer Electronics
- Energy
- Industrial
- Medical

## Services

- Global Sourcing
- Manufacturing
- Franchised Distribution
- Inventory Management
- EOL/Obsolescence Mgmt

## Benefits

- 3+ Billion Items in Stock & Ready to Ship
- 2,000+ Brand Name Suppliers
- Flexible Payment Terms
- Offices in North America, Europe, and Asia
- Global Delivery within 24-48h
- Experience since 1997
